

## SPECIAL AWARDS

### GEORGE FORREST MEMORIAL MEDAL

May be awarded at each club show, to the most meritorious plant or pan of rock plant(s) (one variety) exhibited in the scheduled classes.

Plants eligible for the award should come from the following:

- a. a plant that has won its class outright
- b. a plant from a multi-pan entry (the entry need not have won the class)
- c. a plant from the non-competitive classes

A Forrest medal shall not be awarded to the same individual plant more than once in any one year at the shows.

To members who have previously won this medal an award card will be presented instead of another medal.

### SILVER GEORGE FORREST MEMORIAL MEDAL

Is presented to any member winning a total of ten Forrest medals, to mark the achievement. Thereafter members winning subsequent Forrest medals will receive an award card only.

### CERTIFICATES OF MERIT AND BOTANICAL INTEREST

The judges shall have the power to award a **Certificate of Merit** to any exhibitor for a plant. The number of such certificates in any one show shall not be limited, but the standard must be kept high. A **Certificate of Botanical Interest** may be awarded for an exceptional plant that is of botanical merit. This may be the plant's particular morphological character(s), its novelty, and/or its taxonomical, educational or conservational value.

### BRONZE MEDAL

May be awarded at each Club show to the competitor with the highest aggregate of points in Section II. A Bronze medal shall not be awarded unless an exhibitor obtains 20% of the total points available in Section II of the show, except where, in the opinion of the show secretary and judges, the entries of that exhibitor are of outstanding merit. 'Points available' are calculated by totalling the points available from first prizes in the section. The exhibitor's aggregate of points must be at least 20% of the total; but may have been obtained from any prize placings. In the case of a 'tie' two Bronze medals will be awarded. To members who have previously won a Bronze medal an award card will be awarded instead of another medal.

### PROFESSIONAL MEDAL CARD

May be awarded to a plant, exhibited on a trade or professional display, which in the opinion of the judges is of the same standard as expected for the Forrest medal.
